

## Donegal Worship Team

The Donegal Worship Team would like to come to your church and lead worship! We have prepared an hour-long intergenerational service of songs and skits aimed at helping your congregation to experience God in a new way. We also hope to promote Camp Donegal and its programs.

Perhaps having the team lead worship won't work for your congregation. We'd also be happy to come and present the same program during your Sunday School hour to an intergenerational group.

To schedule the Donegal Worship Team to lead worship for your church or church school, please contact the Camp Donegal office.
